ELEMIS FACIALS

Defined by nature. Led by science. The no.1 luxury British skincare brand, ELEMIS harnesses the power of natural ingredients and technological innovation. All our treatments use the BIOTEC machine with galvanic micro-currents to deliver nutrients deeper into the skin.

BIOTEC RADIANCE RENEW

30/60/90 MINS

For dull and tired skin. The ultrasonic peel pumps vibrational energy into the skin to exfoliate and remove impurities, while the galvanic current harnesses the power of elderberry and orange flower to restore moisture.

BIOTEC SKIN RESURFACER

30/60/90 MINS

Addresses uneven tone, blemishes and fine lines. The ultrasonic peel reveals a noticeably smoother complexion using a combination of lactic and hyaluronic acids. Steam and extraction deeply cleanse, before massage and light therapy restore equilibrium.

BIOTEC 24/7 SKIN SYNC

30/60/90 MINS

For a well-rested glow. LED light therapy helps reset the clock for optimum skin wellness, while galvanic technology stimulates the skin for an illuminated, wide-awake feel.

BIOTEC LINE ERASER

30/60/90 MINS

Circulation is improved, increasing the production of collagen and elastin, while the dermis is flooded with hyaluronic hydrating activators. Red and blue light therapy de-stress the skin while a blast of oxygen irons out wrinkles and fills in lines.

BIOTEC FIRM-A-LIFT

30/60/90 MINS

A blend of massage and sculpting technology to strengthen, restore elasticity and contour. Circulation-stimulating gardenia stem cells are activated by micro-current pulses to tighten slackening skin.

BIOTEC BLEMISH CONTROL

30/60/90 MINS

Detoxifies the skin and repairs damaged tissue. Ultrasonic vibration, massage, steam and galvanic currents thoroughly decongest and exfoliate. A powerfully antioxidant, anti-bacterial activator of salicylic acid soothes, while light therapy clears the complexion.

BIOTEC SENSITIVE SKIN SOOTHER

30/60/90 MINS

Calms red skin. Using natural anti-inflammatory willowherb, the skin is infused with oxygen to encourage cellular restoration. Red light therapy with calming antioxidants improve the skin's natural ability to repair itself.

BIOTEC SUPER-CHARGER FOR MEN

30/60/90 MINS

De-stresses, de-ages and de-fatigues the male complexion. A triple hit of ultrasonic peeling, steam and galvanic current delivers a deep cleanse, simultaneously exfoliating and powering kalpariane's anti-wrinkle properties.
